ASIDEMS: We've found another local outfit which uses the initials, "CIA." It's the Capital Investment Association, consisting of 20 people who got together to play the market.

The fellow who called me about it said, "You should have seen the broker's face when I, told him the CIA' wanted to open an account." • Every now and then somebody gets into Yellow Cab No. 566 and tells the driver. John Dames, that he looks like actor Loren Greene, the star of TV's "Bonanza."

Why, if it's happened once, it's happened twice, at least.) Frankly,

I always thought Lorne Greene looked just like John Dames.
